	MAJOR	Minor	Dim.	Aug.	Maj 7th	Dom 7	minor 7th	halfdim 7	full dim 7
C									
Db C#									
D									
Eb D#									
E									
F									
Gb F#									
G									
Ab G#									
A									
Bb									
B									

Note: Due to space limitations, for chords in a sharp or flatted key, the more popular key was selected. The user should extrapolate to ascertain the correct chord. For example, an Ab chord is Ab,C,Eb, which would equal the G# major chord of G#,B#,D#, using the equivalent sharp or flat.
